Our Katrina experience was:

We lost everything we had our house
clothes, everything, we are now staying
in a FEMA camper on our property
thanking god for what we do have.
We came back one day after the storm
thinking we had something left to come to (over)

Write something special that you would like Santa to bring you or your family:

Well we would like a house or trailer but that's
a big order so we would appreciate some dishes,
pot, & pans, and something for my grandson he is
16 years and lost all his things too. Thank you
and whatever you can give us we will be satisfied

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:

Mayor's Office, City of Waveland, P. O. Box 539, Waveland, MS 39576

But we Ran out of gas in Kiln and we slept
in our car for 2 days thank god we had a can
of potted meat to eat, Because we had nothing else
to eat. Finally my son came and found us stranded
we went to his place he had a popup camper
we stayed in. But we didn't have water or
food, for about a week until some family
member brought us some gas & food, Then they
brought in ice, water, & food for the people
to eat. We only had 2 changes of clothes to
wear, we had to wash our clothes in buckets
so we would have clean clothes. But thank
god all of our Family is O.K. Most lost everything
to, But we thank god for what we do have
and our Family is fine. And we appreciate
any help we can get.

God Bless yall
